## Innovation Initiative

**\$100**

"Innovation distinguishes between a leader and a follower"

- Steve Jobs

**\$100**

We're looking for ways to make Atlantic a better, safer, more productive place to work - and we need your help. Do you have an INNOVATIVE idea that will improve work conditions? Maybe you know of a new way to make us more productive, or improve morale, or serve our customers better. If you do, then we want to hear about it. If it's accepted we'll pay you \$100 for your idea. Fill out and return this form to Courtney, or if you prefer, tell her your idea and she'll let us know about it. We'll review your ideas and let you know if we want to try it. If we do, then we'll give you \$100 !! It's that easy!

Or maybe you see a problem but don't know how it can be fixed. We want to know that too. ANY suggestion that will improve the workplace will be considered. Anonymous suggestions are also welcome. Just put your suggestion in an envelope and leave it under Courtney's door.

(Anonymous suggestions are NOT eligible for \$100 award.)
